

## WEB DEVELOPER/GRAPHIC DESIGNER JOB OPPORTUNITY

### **Position: Fulltime Web Developer and Graphic Designer**

Tellōs seeks a web developer who has an in-depth understanding of WordPress and a modest knowledge (or is willing to learn) of Joomla and Dreamweaver. In addition, a proficiency in Adobe InDesign, Photoshop and Illustrator is needed. The applicant should be a self-starter and responsible. A bachelor's degree is required. The position is 40 hours a week, 8:00 am - 5:00 pm, Monday - Friday. Tellōs would prefer at least a two-year employee commitment. Salary is based on experience.

### **Job Responsibilities**

Job responsibilities include website design and programming, graphic design and moderate technology support for the company.

### **Company**

Tellōs is a small, full service advertising agency and video production firm with offices in Starkville and Jackson. We serve a wide base of local and regional clients. Tellōs was formed in 2014 when Kathy Kenne, partner in Quest Group ad agency, and Robbie Coblentz, owner of Broadcast Media Group, joined their two firms. Both owners had operated their businesses approximately 19 years prior to forming Tellōs. Tellōs is an equal opportunity employer.
